

“Meet Dr. King”

Mr. Marcus Gentry tells Dr. Martin Luther King’s story in the first person. Mr. Gentry’s vocal impression of Dr. King captures his personal side while recreating the emotions experienced during some of his most memorable moments and speeches for his audience’s enjoyment.

Schedule this one-hour thought provoking performance for your group to hear about the life of Dr. King and learn about the other critical characters who impacted our country and this man’s life during the Civil Right’s struggle.

The Presenter:

Marcus “Dr. Respect” Gentry is the founder and President of A MasterMind Creation (AMC), a business service that develops and delivers programs that enhance personal and professional growth, empowerment, and leadership. Mr. Gentry is an internationally recognized public speaker and trainer who has been providing seminars and workshops for over 25 years.

 **Prairie State College**

“A Visit with Nat King Cole and Friends”

This fascinating musical journey, by Marcus Gentry, pays tribute to the voices, musical arrangements, and lyrics of legendary artists such as Nat King Cole, Lou Rawls, and others. A bonus feature of this performance includes little known biographical information about each artist.

Schedule this one-hour “unforgettable” performance for your group by contacting:
