### **MERRILL REAM SPEED READING**

Are you struggling to keep up with the flood of e-mail, articles, reports, books, and other printed matter? Save yourself time by learning to read faster and with better comprehension from speed reading expert Dr. Merrill Ream.

### **BEGINNING WRITER'S WORKSHOP**

If you've dreamed of writing creatively, this course is a great place to start. Improve your writing skills and discover new ways to stretch your creativity. This course is an in-depth writing experience filled with challenging hands-on exercises, expert advice, and plenty of direct support and encouragement.

### **BEGINNER'S GUIDE TO GETTING PUBLISHED**

Your success in the writing game is determined by the amount of credibility publishers attach to you and your work. This course, taught by a published author, helps you gain that credibility. Learn how to properly format manuscripts, write irresistible query letters, and submit your work to the publishers who want it.

### **WRITING FOR CHILDREN**

Join a published children's author and discover how you can touch the hearts of children by creating books for them. In this highly interactive, hands-on course, take pen to paper and begin work on your first fiction or nonfiction manuscript. Learn the various formats – from baby's first books to novels for young adults.

### **BREAKING INTO SITCOM WRITING**

Learn from a veteran TV comedy show writer how to write professional sitcom scripts and how to break into show business. Master the art of creating a well-paced, action-packed story and telling it completely in jokes. Learn to write dialogue that makes the audience laugh.

**DRAWING FOR THE ABSOLUTE BEGINNER**

Have you always been interested in drawing, but never really knew how to get started? If so, then this is definitely the course for you. Learn about drawing materials, set up procedures, lighting and rendering techniques, design and layout methods, and much more.

**TRAVEL PHOTOGRAPHY FOR THE DIGITAL PHOTOGRAPHER**

The lure of travel is surpassed only by the inevitable desire to bring home pictures and share your adventures. Join us and discover the world through a photographer's eye. This course addresses the tools and tricks that enable digital photographers to capture scenes from around the world and bring them home.

**GET PAID TO TRAVEL**

Do you love to travel and enjoy working with individuals? A career as a professional tour director, tour guide, and cruise host may be the job for you! Learn about group tour procedures, documentation, and handling emergencies. Gain information on full and part-time career opportunities.

**WOW, WHAT A GREAT EVENT!**

Learn how to create and coordinate successful special events. Develop skills, find resources, and gain confidence to plan and produce any size or type of event. Find out what the experts and master planners already know so that you can avoid those embarrassing and costly planning errors.

**GET FUNNY!**

Humor enhances everything you do, no matter whether you're looking to deliver better presentations, increase your marketability as a writer, deliver more hits to a Web site, or simply become friendlier and more outgoing. This hilarious course helps you sharpen your wit.
